TKO Transmission Repacking Instructions

Upon receiving your TKO Transmission, familiarize yourself with the way it was packaged for shipment in case you need to repackage the unit. It is important to properly repackage the transmission in the original box in order to prevent shipping damage to your TKO, which could result in additional charges and unnecessary delays.

- 1) Note the orientation of the transmission as it is packaged in its box below.

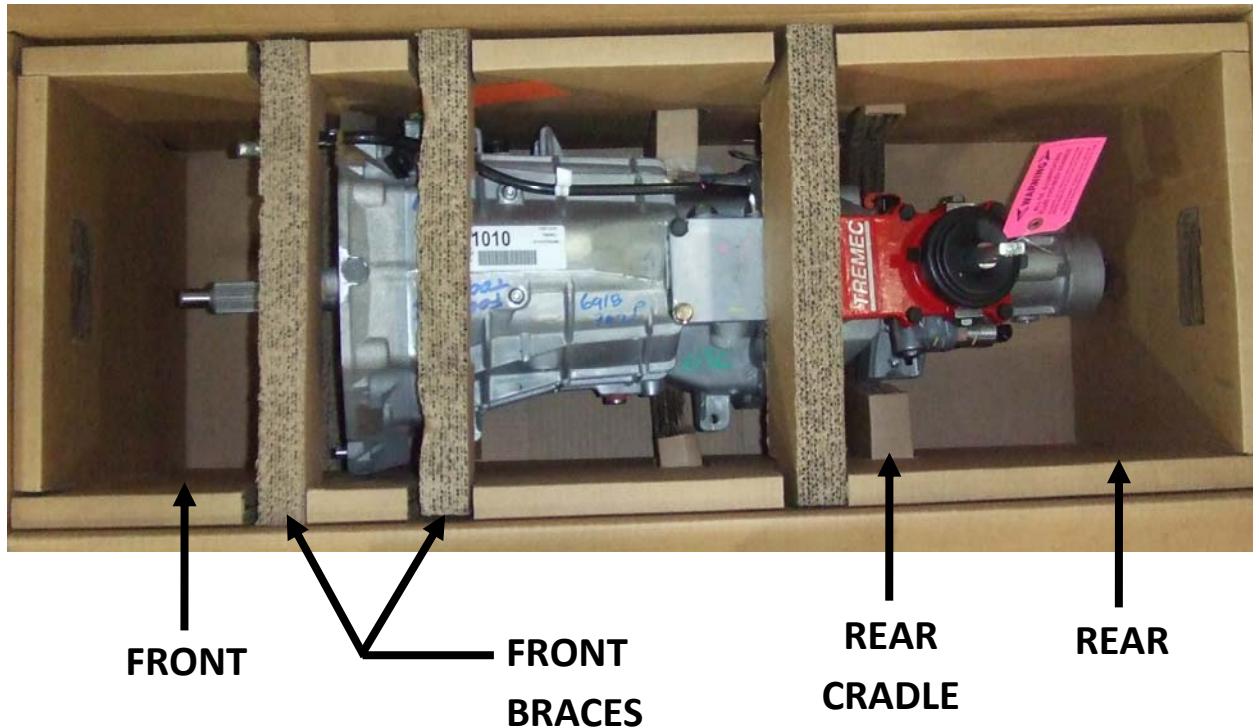

- 2) Once unpacked, note the cardboard cradle and tail slot seen below.

MAGNUM Transmission Repacking Instructions

Upon receiving your MAGNUM Transmission, familiarize yourself with the way it was packaged for shipment in case you need to repackage the unit. It is important to properly repackage the MAGNUM in the original box in order to prevent shipping damage to your transmission, which could result in additional charges and unnecessary delays. See picture below for packaging details.

NOTE: If the transmission needs to be returned to Silver Sport Transmissions, it must be repackaged, as it was received, and in the same box. If the original box is not available, or is damaged, please contact Silver Sport Customer Service to purchase a replacement box.
