

Product Spotlight

Our PerfectFit™ kit is the best upgrade you can do to your Camaro or Firebird!

Increase the performance and drivability of your pride and joy by converting to a modern 6 speed overdrive.

SST transmission kits provide:

- SST PerfectFit™ Tremec® T56 Magnum 6 speed transmission (wide and close ratio options available) for perfect console fitment. Classic Fit non-console version also available. Smooth, worry-free shifts come standard.
- Complete driveshaft with dynamic balance certification and premium solid u-joints. Arrives fully painted and ready to install.
- Crossmember - CAD designed, lightweight and box welded for rigidity. Better exhaust clearance and rigidity compared to tubular or aluminum variants.
- Rubber isolator mount (Poly upgrade available)
- Calibrated speedometer cable or electronic speedometer connector— your choice.
- Reverse light connector.
- Needle roller pilot bearing - pre-lubed and long life.
- All installation hardware included - packaged for easy identification.
- Console shift pattern plate - maintains factory appearance ('68-'69 Camaro)
- Installation manual - including free lifetime tech support.
- 12 month product warranty - includes 24 month activation delay so you can finish your project.

Optional items that you may require for installation:

Experience the Difference

- 30-50 percent increase in fuel economy
- Greatly reduced driver fatigue - road trips are fun again!
- Longer engine life
- Reduced NVH (noise - vibration - harshness)
- You will want to drive your car much more than ever before!

Kits in stock - deposits are never required!
