

Product Spotlight

Our PerfectFit™ kit is the best upgrade you can do to your GM B body!

Increase the performance and drivability of your pride and joy by converting to a modern 5 speed overdrive.

SST transmission kits provide:

- SST PerfectFit™ Tremec® TKO 5 speed transmission (wide and close ratio options available). Perfect shifter positioning with multiple build options available: 1. Classic Fit on-center for bucket seats. 2. Mid shift for bench seats, allows full adjustment of seat. 3. Side offset to match existing 4 speed floor locations.
- Complete driveshaft with dynamic balance certification and premium solid u-joints. Arrives fully painted and ready to install.
- **OPTIONAL** - Transmission support crossmember
- Rubber isolator mount (Poly upgrade available)
- Calibrated speedometer cable or electronic speedometer connector— your choice.
- Reverse light connector.
- Needle roller pilot bearing - pre-lubed and long life.
- All installation hardware included - packaged for easy identification.
- Installation manual - including free lifetime tech support.
- 12 month product warranty - includes 24 month activation delay so you can finish your project.

Manual to manual and automatic to manual kits available. Chevy auto to manual kit shown with Mid shift.

Experience the Difference

- 30-50 percent increase in fuel economy
- Greatly reduced driver fatigue - road trips are fun again!
- Longer engine life
- Reduced NVH (noise - vibration - harshness)
- You will want to drive your car much more than ever before!

Kits in stock - deposits are never required!
